Re: Request for sponsorship for Radio Equipments

VUTHA FM ONLINE Is a non-profit company located in Umlazi Township, in the province of KwaZulu Natal in South Africa.

our radio station help the Kzn people in supporting them in the local events and the youth in knowing the radio station and knowing beyond in Media we are being pleased by the listeners to get on air and work 24/7

Counting our followers and listeners who were commenting on our socials are over 2000.. 500 are from eMthatha and others are from kzn and eastern Cape

**We Write this letter to request your company to sponsor the following resources for radio station as we are planning to open this radio station that have many followers wanting the radio to be on air and working 24/7 :**

1. 5 Computers for playing the music and advert.
2. 5 broadcasting mics.
3. 5 mic arms
4. 2 tables for equipment
5. 3 banners
6. 2 speackers to hear the song that is playing.
7. 1 long mixer
8. 2 ROUTER

**Thank you for your consideration.** With your help, we will be getting closer to achieving our goal in making our listeners be number 1 and start looking forward in finding the frequency which will be the low power commercial as we are the future commercial radio station that will grow bigger then this

Yours faithfully
